**Open Position:
Project Manager**

The McKinney Partnership Architects is committed to delivering projects from a team of talented professionals that provide unequaled design, service and vision to our clients. We take pride in our delivery of innovative venues for work, worship, learning, research, healing, finance, entertainment and public service. Great care is taken in the selection of each team member. We are currently seeking **Project Manager**. The **Project Manager** will be responsible for the coordination and completion of multiple projects along with directing the Project Team. The ideal candidate will have problem solving skills and be able to manage client/employee situations. Excellent oral and written communication is required along with excellent organizational skills. Other skills required: working knowledge of AutoCad 2008, Revit and MS Office. Professional registration is a plus. Email a cover letter and resume to jmunson@tmparch.com.
